Re: County Highway V Trail Project ID 6218-00-78 (Main Street to River Road) Project Public Information Meeting and Archeological Survey and Historical Resources Review

Dear Property Owners,

On behalf of the Village of DeForest, you are invited to attend a Public Information Meeting to discuss the proposed trail construction along Highway V in 2028. As an owner of property adjacent to this project, you are encouraged to attend this meeting to learn more about impacts the project will have with traffic and intersection improvements.

The Village will also be conducting a archeological survey and historical resources review along the Hwy V corridor that will be starting this fall. Most of the work will be within the right of way, if any work is outside of the right of way staff will be in contact with the affected property owner. The work will be conducted by 11Mississippi Valley Archaeology Center (University of Wisconsin -Lacrosse).

The Public Information Meeting is scheduled for:

Date: Monday, November 16, 2026

Time: 6:00 to 7:30 p.m. (with a formal presentation at 6:05 p.m.)

Location: Village of DeForest Village Hall (120 South Stevenson Street)

The purpose of this meeting is to present the preliminary improvement considerations for the reconstruction project. Representatives from Dane County and Vierbicher Associates, Inc., the project design consultants, will be available to answer questions.

If you would like additional information regarding this project or are unable to attend this meeting, feel free to contact us with any questions or concerns about the project at 846-6751 or via email at hallg@deforestwi.gov.

Sincerely,

Greg Hall

Greg Hall
Deputy Director of Public Services
Village of DeForest
