Dear Mr. Hall:

Congratulations! On behalf of the Governor, we are pleased to forward to you a grant agreement for financial assistance for the following project: ***Yahara River Streambank Stabilization - Phase 2.***

This grant, and any reimbursements made under it, is governed by specific statute and administrative code provisions. Accordingly, please read the grant documents thoroughly, paying particular attention to the Scope and Conditions sections for eligibility, grantee requirements, and reimbursement provisions. There are also several activities where you must obtain prior departmental review and authorization before proceeding.

You are obligated to submit a final report, using the Department's BMP Implementation Tracking System (BITS), prior to submitting your final reimbursement request for the projects completed under this grant; before and after pictures are a required component.

A grant administration video tutorial is available on the DNR website, which includes information about seeking reimbursement from DNR, amending your grant, submitting the final report, etc. The tutorial is available on the Resources tab at https://dnr.wisconsin.gov/aid/TargetedRunoff.html. All grantees must view the tutorial prior to submitting the first reimbursement request for their grant.

Please review this grant thoroughly and if you have any questions, contact your Regional Nonpoint Source Coordinator, Jacob Dickmann, at (608) 333-4682 or by e-mail at Jacob.Dickmann@wisconsin.gov.

Thank you for your continued cooperation with Wisconsin's Runoff Management Grant Programs.
